

## Timetable to follow at home- Sensory/Emerging/Early Years

The following time table has been put together for home learning to take place in the event of quarantine. The timetable is to be repeated weekly to reinforce learning. The timetable is linked to the stories being read and taught at The Brook School under the curriculum areas of *Early years*-Understanding the World and Literacy.

To accompany this timetable you are provided with a pack that allows you the parent/carer to work with your child/children on a variety of activities that engage, encourage and challenge your child.

You will be contacted by your child's class teacher/ team on Mondays, Wednesdays and Friday by phone. Please do contact your child's teacher at any other time if you require support.

Day	Activity
